

Skoolkit

At Skoolkit we are hoping all our customers are well and keeping save. We would like to reassure you that even though this year will be challenging we are still working behind the scenes doing our utmost to provide you all with school uniform for this year's 'Back to School'

This year we would like to ask for your help

As much as possible Skoolkit would like to encourage parents to order uniform from our website for this year's 'Back to School'. We appreciate this is not always possible but as I'm sure you will agree we need to try and limit the amount of people in our shops during the busy Summer months, this year the problem we will have is managing social distancing regulations and our priority will be to keep our customers and staff safe.

Skoolkit would like to take this opportunity to thank you for your continued support during this challenging time and we hope you all stay safe.
