Recipe of the week - simple iced biscuits

100g butter
100g golden caster sugar
1 egg
 $\frac{1}{2}$ tsp vanilla extract
200g plain flour
Heat oven to 180 fan

Cream together the butter, sugar, egg and vanilla - add the flour and mix until you have a dough (if sticky, add more flour)
Roll it out, cut shapes, pop onto a baking tray and bake for 7-10 minutes. Leave to cool.
Mix 125g icing sugar with 1tbsp water and use this to ice the cold biscuits - add food colouring if you like ☺
