Fact of the week - Kangaroos can't walk backward

- * Review of EasyJet flight from Marley - queues were okay, chairs were quite uncomfortable and flight was much longer than estimated. However, care and take-off were good, yet landing was bumpy. 3 stars
- * Star Wars have released a new series set 100 years before the phantom Menace. As a group of Jedi question a prime suspect of murder, they uncover the suspects innocence and the real killer!
- * The creators of Avatar: Frontiers of Pandora, have created a Star Wars game! Play as a smuggler and explore the Galaxy. It is set between Episode 5-6 showing the criminal underworld of Star Wars. Not available on Switch or PS Consoles, except PS5. Also available on X box X/S
- * Me (Max) & my brother have tried some food from China -
Chicken feet - disgusting, I didn't even want to hold it. Tommy had one bite.
Century egg - it was okay, but it tasted like a mushroom wrapped around an egg and it smelt like soy sauce. Tommy had one nibble, but I ate it all.
Wife cake - it was okay. Tommy didn't like it so I ate both of them! Was like a pastry that wasn't cooked enough and had something fruity inside.

Recipe of the Week - Chicken Dipper & Salad Tacos

- Chicken dippers (or nuggets)
- Chopped salad (lettuce, cucumber, tomatoes..)
- Mayo
- Tortilla pockets (or wraps/pittas)

Cook the dippers according to the packet. Once cool enough to handle, cut up into smaller chunks and mix with the salad and mayo. Spoon into Old El Paso Tortilla pockets and enjoy!

Just for fun....

One of the stories in the last issue was fake news.....which one?

ANSWER - the school isn't getting miniature elephants! (unfortunately!)

What do you call a dinosaur fart?

A blast from the past.
