

Through Maths, we will be practising our counting within 20, both forwards and backwards and become confident at reading and writing these numbers correctly. We will learn about ways of making our numbers within 10 and use different resources and pictures to help us solve problems more independently.

In our RE learning this term, we will be thinking about rules and exploring how rules are part of Jewish customs and belief.

We are excited to start our new PE scheme called "Get Set 4 PE". We will be indoors exploring the fundamental skills of balancing, running, changing direction, jumping, hopping and skipping. During our outdoor sessions, we will focus on developing our ball skills, like throwing and catching, rolling and dribbling with both hands and feet. Please ensure your child is wearing their correct PE kit on Monday (indoors, please wear shorts under tracksuit bottoms) and Thursday (outdoors).

Through Computing, we will learn about how to use a computer safely; turning it on and off correctly and logging on and off. We will learn to use the keyboard to type simple words too.

In Science this term, we will be thinking about humans and their senses. We will learn different parts of the body and find out how our senses link to these. We will also be thinking about how to eat healthily.

**Our project,  
Sensational Senses,  
will explore the big  
question,  
'Are senses important  
and how are they  
affected by the world  
around us?'**

During our PSHE this term, we will explore the idea of team work and how we can work alongside each other in our new classes. We will think about our class charters and how rules are used to help us in our learning.

In Art, the children will be exploring the use of colour through painting. We will learn about primary and secondary colours and learn to mix colours. We will use our knowledge of colour-mixing to create paintings linked to artists such as Matisse and Kandinsky.

In Music, we will be enjoying exploring and experimenting with pulse and rhythm in our 'All About Me' unit.

In English this term, we will be exploring poetry and thinking about the senses to write our own poetry. We will also look at familiar stories, including 'The Hungry Caterpillar' and 'The Enormous Turnip', where we will talk about the texts and learn to retell them in simple words and sentences.

Reading will happen through RWInc phonics every day and additionally with the adults in the classroom. Please continue to read at least 4 times a week with your child at home. This really does help them to grow in confidence and make progress in becoming fluent readers.
